

June 13th 2021

Dear Chief Dirr

The board will be convening a meeting on Tuesday 15th of June 2021 as a special executive session under the terms of the exception in the Colorado Open Meetings Law(OML) Section 24-6-402(4)(f) and Section 24-6-402(4)(b).

This meeting is treated two separate sessions. The first session, under the legal advice exemption, is to take legal advice from our attorney and the second session, under the personnel exemption, is to discuss your Performance Improvement Plan (PIP) survey results between the board.

You are not entitled to attend either meeting under the statute. However, I have scheduled a second special executive session on Wednesday, under the personnel exemption, for the board to discuss with you the outcome of the board's discussions on Tuesday. I did this so you are not hanging on Tuesday evening if the discussions run long. I have sent a separate notice for the Wednesday session.

As allowed in the statute you have the right to request that the Tuesday personnel session be held in public session and not in special executive session.

Please indicate your choice of whether you would like the meeting to be held in public session or as a private special executive session, sign and return the document to me. If you do not return the document the board will assume you wish for the discussion to be held in private special executive session. You may alter your decision at any time prior to the meeting regarding your choice.

Sincerely,

Iain Irwin-Powell
